

CLEVELAND MONTESSORI

Elementary Teachers

Are you looking for a new career path? Have you always wondered about Montessori education? Cleveland Montessori invites you to join our team of dedicated Montessori professionals. The school is seeking teacher candidates with experience at the elementary level (1st through 5th grades) for the 2023-24 school year. Montessori certification at the 6-9 or 9-12 level is ideal, but candidates with traditional education background and a child-centered, project-based teaching style will be considered. The elementary teacher will create a joyful, engaging environment that ignites a love for learning, self-confidence, and independence. An essential component for a successful guide is the ability to care for and nurture each child's potential in a diverse community of learners. Experienced Montessori mentors are ready to support and coach the elementary classroom. Sponsorship of Montessori training and professional development benefits are offered.

Effective communication with parents and staff, confidence in record-keeping (ability to learn an on-line system), lesson planning and good organizational skills are key components to this role. Health benefits are offered along with personal days and professional development opportunities. Position start date is August 14 with some flexibility and full or part-time options can be discussed.

Cleveland Montessori is a small, independent, private school serving Primary through Adolescence (3-14 years). The school is located in a beautifully restored historic building in the heart of Cleveland's Little Italy, home to quaint brick roads filled with art galleries, bakeries, and authentic Italian cuisine. To enhance the classroom experience, the school utilizes the culturally rich University Circle area, home to the city's world-renowned museums and orchestra.
