Did You Know?

50% our students rely on school financial aid?

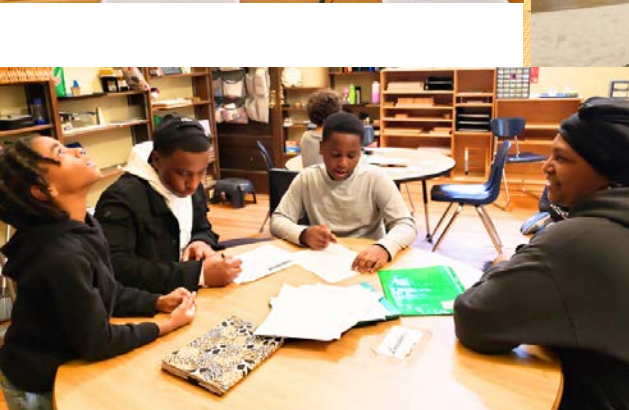

Here's an easy way to help. Visit our website homepage to donate (and perhaps see your child in our video). P.S. New website photos too!

Donations made through the Every Child Every Family Scholarship Granting Organization (SGO) go directly to students at Cleveland Montessori while donors receive 100% tax credit on your Ohio Tax liability up to \$750 per individual and \$1500 per couple if filing jointly. It is a win-win and allows us to provide much needed financial assistance to deserving students.
